From the N. Y. Evening Post. A THANKSGIVING HYMN.

For the Spring and for the Summer, Vernal and maturer bloom; For the Autumn and the Winter, In their fullness and their gloom; For the days and nights of gladness, For the thorns on which I've trod : For my blissful aspirations, I will thank Thee, Oh! my God.

For thy tenderness while sleeping For the dreamings of the soul, When within the gates of silence Reason ceases to control ; Eor the many friends that love me Here at home, and far abroad : For remembrance of the dead ones, I will thank Thee, Oh! my God.

For the rivulet and river, For the ocean and the sky For the past, and for the present, For the mists through which I plod, For my gleams of the great Puture. I will thank Thee, Oh! my God.

> The line will extend along new Church st. and the laying of the ralls is about completed. Considerable interest is felt in this undertaking owing to the fact that the fare on these cars will be smaller than on any other line in the city, only 8 cents. The distance travelled is, however, very small, pot being much over a mile. It would be a good idea to have the tracks ran' further up town at the same rate. In Paris, where horse cars have been but practised. The car is divided into two corapartments, first class and second class. In the first-class, passengers are provided

run from Fulton street to South Ferry.
